

TABLE 4: Backup Truck Assignments Starting July 2017

Contractors must use their flexible backup truck to provide backup service before requesting from one of the backup contractors below. Requesting contractors must exhaust their assigned backup providers in order. Should their primary and secondary backups be unavailable, requesting contractors must continue contacting all remaining backup providers.

BEAT	Primary Provider	Secondary Provider
1	Beat 5	Beat 3
2	Beat 3	Beat 5
3	Beat 3	Beat 5
4	Beat 3	Beat 5
5	Beat 5	Beat 29
